("Member") for processing your Payment Card Transactions. Chase Paymentech has agreed to acquire and process your Payment Card Transactions as well as pay you the amount of each Payment Card Transaction subject to the terms of this Agreement. You agree to pay us for the Services performed and to comply with the Payment Brand Rules, Security Standards, operating procedures and all applicable laws, as further described in this Agreement.

- (m) require a Customer to complete a postcard or similar device that includes Payment Instrument Information in plain view when mailed;
- (n) require the Customer to pay the fees payable by Merchant under this Agreement;
- (o) split a single Transaction into two or more Transactions to avoid or circumvent authorization limits or monitoring programs; and
- (p) accept Payment Cards for the purchase of scrip, as defined by the Payment Brand Rules.

Merchant **may**:

- (q) request or encourage a Customer to use a Payment Card other than the Payment Card initially presented by the Customer, unless prohibited by the Payment Brand Rules or applicable law

1.3 Payment Brand Rules.

Merchant agrees to comply with:

- (a) all applicable Payment Brand Rules in effect from time to time; and
- (b) such other procedures as Chase Paymentech may from time to time prescribe for the creation or transmission of Transaction Data.

1.4 Requirements for Certain Transactions.

Merchant represents and warrants that each Transaction:

- (a) represents payment for or Refund of a bona fide sale or lease of the goods, services, or both, which Merchant has the legal right to sell and which is provided by Merchant in the ordinary course of its business, as represented in its Application;
- (b) is not submitted on behalf of a third party;
- (c) represents a current obligation of the Customer solely for the amount of the Transaction;

- (f) is free from any material alteration not authorized by the Customer;
- (g) or the amount thereof, is not subject to any dispute, setoff, or counterclaim;
- (h) if such Transaction represents a credit to a Customer's Payment Card, is a Refund for a Transaction previously submitted to Chase

Paymentech; and

- (i) complies with the terms of this Agreement, applicable laws and all applicable Payment Brand Rules.

Furthermore, Merchant represents and warrants that Merchant has not

- (j) disbursed or advanced any cash to the Customer (except as authorized by the Payment Brand Rules) for itself or to any of its representatives, agents, or employees in connection with the Transaction;
- (k) accepted payment for effecting credits to a Customer or a Customer's Payment Card;
- (l) made any representation or agreement for the issuance of Refunds except as stated in Merchant's Refund Policy;
- (m) been provided with any information that would lead Merchant to believe that the enforceability or collectibility of the Transaction is in any manner impaired; and
- (n) submitted any Transaction that Merchant knows or should have known to be either fraudulent, illegal, damaging to the Payment Brand(s), not authorized by the Customer, or otherwise in violation of any provision of this Agreement, applicable law, or Payment Brand Rules.

For Transactions stemming from recurring billing, installment plans, deferred payment plans, or prepayment plans, Merchant shall:

- (o) obtain permission from Chase Paymentech prior to submitting such Transactions for processing under this Agreement;
- (p) for approved prepayments, advise the Customer:
 - i. that payment is being made in advance of the shipment or provision of goods or services; and
 - ii. the time when shipment or provision of the goods or services is expected;
- (q) obtain the Customer's consent to periodically charge the Customer's Payment Card on a recurring or periodic basis for the goods or services purchased, and:
 - i. retain this permission for the duration of the recurring services and provide it upon request to Chase Paymentech or the issuing bank of the Customer's Payment Card; and
 - ii. retain written documentation specifying the frequency of the recurring charge and the duration of time during which such charges may be made;
- (r) prepare and submit for processing separate Transaction Data for each recurring, installment, or deferred payment only on the dates the Customer agreed to be charged and include in the Transaction Data the electronic indicator that the Transaction is a recurring one; and
- (s) not submit such Transactions after receiving:
 - i. a cancellation notice from the Customer; or
 - ii. notice from Chase Paymentech or any Payment Brand (via authorization code or otherwise) that the Payment Card is not to be honored.

2. AUTHORIZATIONS. Merchant is required to obtain an authorization code through Chase Paymentech for each Transaction. Chase Paymentech reserves the right to refuse to process any Transaction Data presented by Merchant unless it includes a proper authorization. If required by the Payment Brand Rules, each authorization request must include the Payment Card's expiration date.

Merchant acknowledges:

- (a) that authorization of a Transaction indicates only that the Payment Card contains a valid account number and has an available balance sufficient for the amount of the Transaction; and
- (b) that authorization of a Transaction does not constitute a representation from Chase Paymentech, a Payment Brand, or a card issuing bank that a particular Transaction is, in fact, valid or undisputed by the actual Customer.

3. REFUND AND ADJUSTMENT POLICIES AND PROCEDURES; PRIVACY POLICIES.

3.1 Refund Policy. Chase Paymentech reserves the right to refuse to process any Transaction made subject to a Refund Policy of which Chase Paymentech has not been notified in advance.

Merchant shall:

- (a) maintain a Refund Policy (e.g. "NO REFUNDS", "REFUNDS WITH ORIGINAL RECEIPT WITHIN 30 DAYS OF ORIGINAL SALE") in accordance with the Payment Brand Rules;
- (b) disclose all Refund Policies to Chase Paymentech and to Merchant's Customers; and
- (c) submit to Chase Paymentech, in writing, any material change in Merchant's Refund Policy not less than 14 days prior to the effective date of such change.

3.2 Procedure for Refund Transactions.

If Merchant allows a Refund, Merchant shall:

- (a) prepare and deliver to Chase Paymentech Transaction Data reflecting any such Refund within three (3) days of approving the Customer's request for such Refund;
- (b) not permit the amount of a Refund to exceed the amount shown as the total on the original Transaction Receipt except by the exact amount required to reimburse the Customer for shipping charges that the Customer paid to return merchandise;
- (c) not accept any payment from a Customer as consideration for issuing a Refund; and
- (d) not give cash (or cash equivalent) refunds to a Customer in connection with a Transaction, unless required by law or permitted by the Payment Brand Rules.

3.3 Customer Data Protection Policies for Ecommerce Merchants.

If Merchant operates an electronic commerce website through which Transactions are generated, in addition to any requirements otherwise set forth in this Agreement, Merchant shall:

- (a) display the following on each electronic commerce website:
 - i. Merchant's name and the name that will appear on the Customer's Payment Card statement
 - ii. its Customer data privacy policy;
 - iii. a description of its security capabilities and policy for transmission of Payment Instrument Information; and

- iv. the address of Merchant's fixed place of business (regardless of website or server locations); and
- (b) offer its Customers a data protection method such as 3-D Secure or Secure Sockets Layer (SSL).

4. SETTLEMENT.

4.1 Submitting Transaction Data. If Merchant fails to send Transaction Data to Chase Paymentech within one (1) business day after the day of the Transaction, higher interchange fees, additional costs, and increased Chargebacks could occur. Chase Paymentech may from time to time contact Customers to verify that they have received goods or services for which Transactions have been submitted. Chase Paymentech reserves the right to refuse to process any Transaction Data presented by Merchant if Chase Paymentech believes that the Transaction amount cannot be collected from the Customer or was prepared in violation of any provision of this Agreement, applicable law, or the Payment Brand Rules.

4.2 Merchant's Settlement Account. In order to receive funds from Chase Paymentech, Merchant must designate (via the Application or otherwise) and maintain one or more bank account(s) at a bank that is a member of the Automated Clearing House system or the Federal Reserve wire system. All such designated bank accounts are collectively referred to herein as "Settlement Account". Merchant's Settlement Account must be established and maintained solely for business purposes and shall not be used for personal, family or household purposes. Chase Paymentech will not be liable for any delays in receipt of funds or errors in Settlement Account entries caused by third parties, including, without limitation, delays or errors by the Payment Brands, Merchant's bank or ISO.

During the term of this Agreement, and thereafter until Chase Paymentech notifies Merchant that all amounts due from Merchant under this Agreement have been paid in full, Merchant:

- (a) **shall not** close its Settlement Account without giving Chase Paymentech at least five (5) days' prior written notice and substituting another Settlement Account;
- (b) is solely liable for all fees, costs, and overdrafts associated with the Settlement Account;
- (c) authorizes Chase Paymentech, or its authorized agent(s) to initiate electronic credit and debit entries and adjustments to the Settlement Account, or any other bank account designated by Merchant in writing, at any time without regard to the source of any monies in the Settlement Account; and.
- (d) authorizes Chase Paymentech to make electronic credit and debit entries and adjustments to the Settlement Account which are initiated by Paymentech at the direction of ISO for any services, costs, fees or expenses due to ISO from Merchant under this Agreement or any other agreement or arrangement Merchant has with ISO.

4.3 Conveyed Transactions. Conveyed Transactions are Transactions that Merchant submits to Chase Paymentech, but which are then conveyed to one or more third parties or Payment Brands for settlement and funding directly by them to Merchant (e.g. American Express Transactions). For Conveyed Transactions Merchant must have a valid agreement in effect with the applicable third party or Payment Brand. Payment of proceeds due Merchant for Conveyed Transactions will be governed by such agreement, and Chase Paymentech does not bear any responsibility or liability for performing or failing to perform any term, condition, or covenant under Merchant's agreement with any third party concerning Conveyed Transactions, including, without limitation, the funding and settlement of Merchant's Conveyed Transactions. If Merchant submits Conveyed Transactions to Chase Paymentech and Merchant does not have a valid agreement with the applicable third party or Payment Brand, Chase Paymentech may, but is not obligated to, convey such Transaction Data to the applicable third party or Payment Brand and to share with them information about Merchant (from the Application or otherwise) as may be required to approve Merchant's acceptance of the Conveyed Transaction.

4.4 Funding Merchant for Settled Transactions. Subject to Section 4.3, for all Transactions, Chase Paymentech will submit Merchant's Transaction Data to the applicable Payment Brand. Promptly after Chase Paymentech receives funds for Settled Transactions from the Payment Brands, Chase Paymentech will provisionally fund Merchant's Settlement Account.

The dollar amount payable to Merchant for Settled Transactions will be equal to the amount submitted by Merchant in connection with its sale Transactions **minus** the sum of the following:

- (a) all fees, charges, and other amounts described on Schedule A or that Merchant has otherwise agreed to pay;
- (b) all Refund Transactions and Chargebacks;
- (c) all Reserve Account amounts (as defined in Section 4.6);
- (d) all fees, charges, fines, assessments, penalties, or other liabilities (and all related costs and expenses incurred by Chase Paymentech) that may be imposed on Chase Paymentech or Member from time to time by the Payment Brands; and
- (e) all costs, fees, or expenses due to ISO from Merchant under this Agreement or any other agreement or arrangement Merchant has with ISO.

In the event Chase Paymentech does not deduct amounts owed by Merchant from Merchant's proceeds when such amounts are due and payable, Merchant agrees to pay all such amounts to Chase Paymentech immediately without any deduction or offset. Chase Paymentech may debit Merchant's Settlement Account for any such amounts.

4.5 Negative Amounts. Merchant shall maintain sufficient funds in the Settlement Account to prevent the occurrence of a negative balance. In the event that the proceeds from Merchant's Settled Transactions or the balance of Merchant's Settlement Account are not sufficient to pay amounts due from Merchant under this Agreement, Chase Paymentech may, in addition to any other rights and remedies under this Agreement, pursue any one or more of the following:

- (a) demand and receive immediate payment for such amounts;
- (b) debit the Settlement Account for the amount of the negative balance;
- (c) apply funds held in the Reserve Account against the negative amount; or
- (d) withhold all or some of Merchant's Settlement funds and apply them against the negative amount.

4.6 Reserve Account. To protect itself against Anticipated Risks arising out of or relating to Merchant's acceptance of Payment Instruments, Chase Paymentech may, from time to time, temporarily suspend or delay payment to Merchant of amounts due under this Agreement, or designate an amount of funds that Paymentech must maintain, and establish an account with such funds (the "Reserve Account").

Anticipated Risks include, but are not limited to, risks associated with:

- (a) a material breach of the Agreement by Merchant;
- (b) providing Services to Merchant in light of Merchant's financial condition or payment history with creditors;
- (c) Chargebacks;
- (d) Refunds;
- (e) unshipped goods or unfulfilled services;
- (f) fines, fees, or penalties assessed or reasonably anticipated to be assessed against Chase Paymentech or Member by any of the Payment Brands arising out of or relating to Merchant's:
 - i. acceptance of Payment Cards;
 - ii. acts or omissions;
 - iii. Chargebacks; or
 - iv. failure to comply with the Payment Brand Rules or Security Standards
- (g) Merchant's failure to respond to an inquiry, or request for information, from Paymentech, Member or the Payment Brands;
- (h) objections or concerns expressed by a Payment Brand that makes it unduly burdensome, impractical or risky to continue processing Merchant's Transactions; and
- (i) all anticipated trailing activity arising from Merchant's Transactions after termination of this Agreement.

The Reserve Account:

- (j) shall contain sufficient funds to cover:
 - i. any unbilled processing costs; and
 - ii. Chase Paymentech's estimated exposure based on Anticipated Risks;
- (k) may be funded in the same manner as provided for negative balances in Section 4.5(a) – (d);
- (l) will be held and controlled by Chase Paymentech (and funds therein may be comingled with other funds); and
- (m) will not bear interest.

Upon the establishment of a Reserve Account, Merchant shall:

- (n) irrevocably grant to Chase Paymentech a security interest in any interest Merchant may now have or later acquire in any and all funds, together with the proceeds thereof, that may at any time be in the Reserve Account and that would otherwise be payable to Merchant pursuant to the terms of this Agreement; and
- (o) execute and deliver to Chase Paymentech such instruments and documents that Chase Paymentech may reasonably request to perfect and confirm the security interest in the Reserve Account funds.

Chase Paymentech:

- (p) may (but is not required to) apply funds in the Reserve Account toward, and set off any funds that would otherwise be payable to Merchant against, the satisfaction of any amounts which are or may become due from Merchant pursuant to this Agreement; and
- (q) will pay to Merchant any funds remaining in the Reserve Account after Merchant:
 - i. satisfies all of its obligations under this Agreement; and
 - ii. executes all documents reasonably requested by Chase Paymentech in connection with the return of any Reserve Account funds.

5. ACCOUNTING.

5.1 Statements and Reporting. Chase Paymentech will supply a detailed statement (or online access thereto) reflecting the activity of Merchant's account(s). If Merchant accesses account statements via the internet, Merchant must ensure that such online access is secure.

5.2 Adjustments. If Merchant believes any adjustments should be made to its Settlement Account, Merchant must notify Chase Paymentech in writing within 90 days after any such adjustment is or should have been made. Chase Paymentech has no obligation to research or affect changes to Merchant's Settlement Account which are not brought to Chase Paymentech's attention within 90 days after Merchant received its activity statement.

6. RETRIEVAL REQUESTS. A Retrieval Request is a request for information by a Customer or Payment Brand relating to a claim or complaint concerning a Transaction submitted by Merchant. Because a Retrieval Request requires Merchant to provide Chase Paymentech with specific Transaction information, Merchant must store and retain Transaction Data and Transaction Receipts, but must do so solely in compliance with the Payment Brand Rules and the Security Standards. Merchant acknowledges that failure to fulfill a Retrieval Request timely and in accordance with Payment Brand Rules may result in an irreversible Chargeback. If Chase Paymentech receives a Retrieval Request, Chase Paymentech will forward the same to Merchant.

Upon receiving a Retrieval Request, Merchant shall:

- (a) respond to the Retrieval Request within the time frame provided; and
- (b) include with Merchant's response the following documentation:
 - i. a written resolution of Merchant's investigation of the Retrieval Request; and
 - ii. legible copies of any supporting documentation requested or required by the Retrieval Request.

7. CHARGEBACKS.

7.1 Chargeback Reasons. Merchant is liable for all Chargebacks. Some of the most common reasons for Chargebacks include:

- (a) Merchant fails to issue a Refund to a Customer after the Customer returns or does not receive goods or services;
- (b) Merchant did not obtain an authorization/approval code, as required under Section 2;
- (c) The Transaction Data was prepared incorrectly or fraudulently;
- (d) Chase Paymentech did not receive Merchant's response to a Retrieval Request in accordance with Section 6;
- (e) The Customer disputes the Transaction or the authenticity of the signature on the Transaction Receipt, or claims that the Transaction is subject to a set-off, defense, or counterclaim;
- (f) The Customer refuses to make payment for a Transaction because, in the Customer's opinion, a claim or complaint has not been resolved or

has been resolved in an unsatisfactory manner; and

- (g) The Customer disputes making the Transaction and the Payment Card was not physically presented at the time of the Transaction. In this case Merchant acknowledges that if the Merchant does not have an electronic record or physical imprint of the Payment Card, the Payment Brand Rules may not allow the Merchant to challenge the Chargeback.

7.2 Responding to Chargebacks. If Merchant has reason to dispute or respond to a Chargeback, then Merchant must do so by the date provided on the applicable Chargeback notice. If Merchant misses the Chargeback due date, Chase Paymentech has no obligation to investigate or attempt to obtain a reversal or other adjustment to any Chargeback on Merchant's behalf. Upon receiving a Chargeback, Merchant may resubmit the applicable Transaction Data for a second presentment if permitted by the Payment Brand Rules.

7.3 Excessive Chargebacks. If Merchant is receiving an excessive amount of Chargebacks, in addition to Chase Paymentech's other remedies under this Agreement, Chase Paymentech may do any one or more of the following:

- (a) review Merchant's internal procedures relating to acceptance of Payment Cards and notify Merchant of new procedures Merchant should adopt in order to avoid future Chargebacks;
- (b) notify Merchant of a new rate Chase Paymentech will charge to process Merchant's Chargebacks;
- (c) require Merchant to replace any magnetic-strip-only point of sale terminal or electronic cash registered with an EMV chip-capable terminal, if required under the Payment Brand Rules
- (d) establish a Reserve Account; or
- (e) terminate the Agreement in accordance with Section 10.3.

Merchant understands that having excessive Chargebacks may result in assessments, fines, fees, and penalties by the Payment Brands. Merchant agrees to reimburse Chase Paymentech immediately for any such assessments, fines, fees, and penalties imposed on Chase Paymentech or the Member and any related loss, cost, or expense incurred by Chase Paymentech or the Member.

8. DISPLAY OF PAYMENT BRAND MARKS. Payment Brand Marks are the brands, emblems, trademarks, and logos that identify a Payment Brand. Merchant has no ownership rights in the Payment Brand Marks and cannot assign its right to use the Payment Brand Marks under this Agreement to any third party.

Merchant shall:

- (a) use the Payment Brand Marks only as expressly permitted by the Payment Brand Rules;
- (b) use the Payment Brand Marks only to promote the services covered by the Marks;
- (c) **not** use the Payment Brand Marks in any way that could cause Customers to believe that the goods or services offered by Merchant are sponsored, endorsed, or guaranteed by Chase Paymentech, Member or the Payment Brands; and
- (d) cease using the Payment Brand Marks when this Agreement terminates.

9. FEES AND ADJUSTMENTS; CHASE TRANSACTIONS.

9.1 Schedule A. Merchant:

- (a) shall pay all applicable fees for all Transactions, which are calculated and payable pursuant to this Agreement and which may be adjusted from time to time in accordance with Section 9.2;
- (b) acknowledges that the fees payable under this Agreement and stated in Schedule A:
 - i. are based upon Merchant's annual volume, average Transaction size, and other information provided by Merchant or contained in this Agreement;
 - ii. are based upon the assumption that Merchant's Transactions will qualify for certain interchange rates as determined in each case by the applicable Payment Brand; If any of Merchant's Transactions fail to qualify for such interchange rates, Chase Paymentech will process each such Transaction at the applicable interchange rate determined by the applicable Payment Brand; and
 - iii. will be rounded up to the next full cent to the extent they contain a fraction of a cent; and
- (c) is solely responsible for all communication expenses required to facilitate the transmission of all Transaction Data to Chase Paymentech.

9.2 Adjustments. The fees owed by Merchant under this Agreement (under Schedule A or any additional pricing supplement) may be adjusted at any time:

- (a) with thirty (30) days' prior written notice;
- (b) to reflect increases in interchange, assessments, or other Payment Brand fees;
- (c) to reflect additional fees imposed by the Payment Brands; or
- (d) to reflect increases in, or additions to, third party fees.

All adjustments hereunder will be effective either upon the date set forth in the written notice or upon the date the corresponding increase or additional fee is implemented by the Payment Brand or third party provider.

10. TERM AND TERMINATION.

10.1 Term. This Agreement starts on the day it is accepted and agreed to by Chase Paymentech (the "Effective Date") and shall continue for three (3) years from that date. Unless otherwise terminated by either party as provided in this Agreement, this Agreement will automatically renew for successive one-year terms. Either party may give notice of non-renewal of this Agreement in writing no more than 90 days and no less than 30 days prior to any expiration date.

10.2 Merchant Termination. Merchant may terminate this Agreement for cause if Paymentech's services provided under this Agreement fail to conform to generally accepted standards for such services in the payment processing industry. In such event, Merchant's sole remedy for such failure shall be that, upon written notice from Merchant specifying the failure of performance, Paymentech will rectify such failure of performance. If Paymentech does not rectify its failure of performance within thirty days after receipt of written notification, then Merchant may terminate this Agreement upon thirty days' written notice to Paymentech. **NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, IF MERCHANT TERMINATES THE AGREEMENT PRIOR**

TO THE EXPIRATION OF THE THEN CURRENT OTHER THAN IN ACCORDANCE WITH THE PROCEDURE SET FORTH ABOVE, MERCHANT AGREES TO PAY EARLY TERMINATION FEES EQUAL TO ZERO DOLLARS (\$0.00) FOR EACH M E R C H A N T LOCATION ("TERMINATION FEES") AS OF THE DATE OF TERMINATION. IN THE EVENT THE PAYMENT OF SUCH TERMINATION FEE IS LIMITED BY APPLICABLE LAW, THE AMOUNT PAYABLE TO PAYMENTECH PURSUANT TO THIS SECTION SHALL BE LIMITED TO THE MAXIMUM AMOUNT PERMITTED UNDER APPLICABLE LAW. SUCH AMOUNTS WILL BE FUNDED, TO THE EXTENT POSSIBLE, ACCORDING TO THE SAME METHODS FOR COLLECTING AMOUNTS DUE UNDER THIS AGREEMENT.

10.3 Chase Paymentech Termination. Chase Paymentech may terminate this Agreement at any time by giving thirty (30) days' prior notice to Merchant. Furthermore, Chase Paymentech may terminate this Agreement **immediately** if:

- (a) Merchant is determined to have excessive Chargebacks;
- (b) Chase Paymentech determines, in its reasonable discretion, that Merchant's Transactions present increased or excessive Anticipated Risks;
- (c) any representation or warranty in the Agreement, including the Application or Schedule A, is determined to be incorrect in any respect when made or deemed to be made;
- (d) Merchant fails to comply with any term, covenant, condition, or agreement contained in this Agreement;
- (e) a case or other proceeding is commenced by or against Merchant in any court of competent jurisdiction seeking relief under the Bankruptcy Code or under any other laws, domestic or foreign, relating to bankruptcy, insolvency, reorganization, winding up, or adjustment of debts, the appointment of a trustee, receiver, custodian, liquidator, or the like of Merchant, or of all or any substantial part of the assets, domestic or foreign, of Merchant, and such case or proceeding continues undismissed or unstayed for a period of 60 consecutive days, or an order granting the relief requested in such case or proceeding against Merchant (including, without limitation, an order for relief under the Bankruptcy Code) is entered;
- (f) Chase Paymentech, in its reasonable discretion, deems Merchant to be financially insecure;
- (g) any Payment Brand:
 - i. notifies Chase Paymentech or Member that it is no longer willing to accept Merchant's Transaction Data; or
 - ii. requires Chase Paymentech or Member to terminate or limit this Agreement or Merchant's ability to accept Payment Cards from Customers;
- (h) Merchant or any person owning or controlling Merchant's business is listed in one or more databases of terminated or high risk merchants maintained by the Payment Brands; or
- (i) Merchant engages in conduct that
 - i. creates or could tend to create harm or loss to the goodwill of any Payment Brand, Chase Paymentech, or Member; or
 - ii. causes Paymentech or Member to violate the Payment Brand Rules or applicable law; or
 - iii. results in Paymentech's, Member's, or Merchant's participation in a risk-based program under the Payment Brand Rules..

In addition to the remedies above and any rights Chase Paymentech may have under this Agreement, Chase Paymentech may suspend the processing of some or all of Merchant's Transactions upon: (a) receipt by Chase Paymentech of notice that a Payment Brand intends to impose any fine or penalty as a result of excessive Chargebacks or Merchant's acts or omissions; or (b) receipt by Chase Paymentech of objections or concerns expressed by a Payment Brand which render Chase Paymentech's continued processing of Merchant's Transactions unduly burdensome, impractical, or risky. If this Agreement is terminated by Chase Paymentech for Merchant's default hereunder, Merchant acknowledges that Chase Paymentech may be required to report Merchant's business name and the names and other identification of its principals to the Payment Brands. Merchant expressly agrees and consents to such reporting in the event Merchant is terminated for any reason specified, and Merchant agrees to waive and hold Chase Paymentech harmless from and against any and all claims which Merchant may have as a result of such reporting.

10.4 Active Account. Merchant's account will be considered "Active" as long as Merchant continues to make on-time payments of all amounts owed under the Agreement. But, if Merchant goes more than 90 consecutive days without making an on-time payment of amounts due under the Agreement, Chase Paymentech **may**:

- (a) consider the Merchant's account as **not** Active;
- (b) terminate this Agreement immediately; and
- (c) subject to Section 10.2, collect the Termination Fee and all or a prorated portion of any of any signing bonus and/or the estimated retail value of any equipment provided to Merchant in promotion of this Agreement.

10.5 Post Termination. The termination of this Agreement will not affect either party's rights or obligations with respect to Transactions submitted prior to termination. Therefore, the provisions governing processing and settlement of Transactions, all related adjustments, fees, and other amounts due from Merchant, and the resolution of any related Chargebacks, disputes, or other issues involving Transactions, will continue to apply for all Transactions made prior to termination.

Upon termination of this Agreement, Merchant *must*:

- (a) continue to be responsible for all Chargebacks, fees, fines, assessments, credits, and adjustments resulting from Transactions processed pursuant to this Agreement before termination; and
- (b) be responsible for all amounts then due or which thereafter may become due to Chase Paymentech or Member under this Agreement.

Upon termination or notice of termination of this Agreement, Paymentech may, in its sole discretion and without waiving any of its rights or remedies under this Agreement:

- (a) establish a Reserve Account; and
- (b) process Transaction Data submitted by Merchant after termination in accordance with and subject to all of the terms of this Agreement.

10.5 Account Activity After Termination; Termination Reserve. The provisions governing processing and settlement of Transactions, all related adjustments, fees and other amounts due from Merchant, and the resolution of any related Chargebacks, disputes, or other issues involving Transactions, will continue to apply even after termination of this Agreement, with respect to all Transactions made prior to such termination or after such termination, as described below. After termination of this Agreement for any reason whatsoever, Merchant shall continue to bear total responsibility for all Chargebacks, fees, fines, assessments, credits, and adjustments resulting from Transactions processed pursuant to this Agreement and all other amounts then due or

which thereafter may become due to Chase Paymentech under this Agreement or which may be due to Chase Paymentech before or after such termination to either Chase Paymentech or Member. If Merchant submits Transaction Data to Chase Paymentech after the date of termination, Chase Paymentech may, at its sole discretion and without waiving any of its rights or remedies under this Agreement, process such Transaction Data in accordance with and subject to all of the terms of this Agreement.

Upon notice of termination of this Agreement, Chase Paymentech may estimate the aggregate dollar amount of anticipated Chargebacks, Refunds and Anticipated Risks that Chase Paymentech reasonably anticipates subsequent to termination, and Merchant agrees to immediately deposit such amount in its Settlement Account, or Chase Paymentech may withhold such amount from Merchant's settlement funds in order to establish a Reserve Account pursuant to and governed by the terms and conditions of this Agreement.

11. INDEMNIFICATION. Merchant agrees to indemnify Chase Paymentech, Member, the Payment Brands, and their respective affiliates, officers, directors, employees, agents, and sponsoring banks from any losses, liabilities, and damages of any and every kind (including, without limitation, Chase Paymentech's costs, expenses, and reasonable attorneys' fees) arising out of or related to:

- (a) Chase Paymentech's reliance on the information provided by Merchant, or Merchant's Authorized Representative, on the Application or in conjunction with the Application (including any information with respect to Merchant's financial condition);
- (b) any assessment, fine, or penalty imposed on Chase Paymentech or the Member, and any related loss, cost, or expense incurred by Chase Paymentech or the Member; and
- (c) any claim, complaint, or Chargeback:
 - i. made or claimed by a Customer with respect to any Transaction or Transaction Data submitted by Merchant;
 - ii. caused by Merchant's noncompliance with this Agreement, applicable law, or the Payment Brand Rules (including, without limitation, any breach of a representation or warranty made by Merchant or Merchant's failure to comply with the Security Standards);
 - iii. resulting from any voluntary or involuntary bankruptcy or insolvency proceeding by or against Merchant; or

This arbitration agreement applies to all Claims now in existence or that may arise in the future. Nothing in this Agreement shall be construed to prevent any party's use of (or advancement of any Claims, defenses, or offsets in) bankruptcy or repossession, replevin, judicial foreclosure, or any other prejudgment or provisional remedy relating to any collateral, security, or other property interests for contractual debts now or hereafter owned by either party to the other.
